FOR IMMEDIATE RELEASE

**SQUARE ONE GALLERY ANNOUNCES PARTICIPATION IN SCOPE MIAMI BEACH
INTERNATIONAL ART FAIR WITH ARTIST LISA ASHINOFF**

####

Square One Gallery is pleased to announce its participation in the 2024 edition of SCOPE International Art Fair on Miami beach with a solo presentation of artworks by contemporary artist Lisa Ashinoff during Art Basel Miami and Miami Art Week running from December 3rd - 8th, 2024.

Lisa Ashinoff is an American artist examining the intersection of architecture, art, and the human condition through her Mid Century and Modern design inspired landscape paintings. Ashinoff's interpretation of the work holds the energies present in her childhood as the compelling force for creation stating, "I grew up in a chaotic household. Intuitively I was drawn to build constructs of ordered landscapes that gave me a feeling of space. My art empowered me to bring calm inside my home." Ashinoff continues to find the relationships between shape, color, line and perspective fascinating, compelling her to produce paintings that are almost meditative, with a sense of nostalgia and optimism.

With over 90 art shows spanning more than 20 years, SCOPE Art Show is the premier showcase and incubator for contemporary art, convening the most dynamic emerging galleries and artists from around the world. Through multi-disciplinary and experiential programming across art, design, music, technology, wellness, and hospitality, SCOPE offers visitors myriad access points for discovery, learning, and community. SCOPE's annual flagship show in Miami represents the future of the arts ecosystem by forecasting new trends and the people and ideas that drive them, from alternative and nomadic gallery models to cutting-edge artists traversing the boundaries of technology, culture, and society.

Square One Gallery is proud to participate in its first art fair presentation with SCOPE and artist Lisa Ashinoff after its inaugural exhibition and opening this past April 2024. Square One Gallery is a contemporary art gallery located in the historic Central West End of St. Louis, Missouri. Established in 2024, Square One Gallery strives to showcase contemporary artistic voices while

connecting St. Louis to the greater international arts community with a diverse, global roster of exceptional artists with a mission to preserve the integrity of the artist as a steward of creativity for generations to come, while offering a knowledgeable collecting experience to guide acquisitions in a fair and open manner.

Square One Gallery will present Lisa Ashinoff's solo presentation in booth A05 at SCOPE Miami Beach from December 3rd - 8th with the VIP preview kicking off December 3rd from 12-8pm.
